Curriculum Vitae

ALIF ALTOBELLI

ABOUT US

A dedicated Web Developer with over 6 years of hands-on experience in WordPress development, cPanel server management, and web hosting. Proven track record in building and maintaining fast, secure, and user-friendly websites for various industries including e-commerce, real estate, and corporate profiles. Skilled in custom theme and plugin development, performance optimization, SEO technical aspects, and website security.

WORK EXPERIENCE

Digital Place Vision Pte. Ltd.
May 2026 - Present

Fullstack WordPress Developer

- Developed and maintained company and client websites using WordPress (E-commerce, Company Profiles), WooCommerce, Shopify, and PHP
- Built and customized WordPress themes and plugins including a custom live photo booth system.
- Managed server configuration and hosting environments through cPanel (domain, email, FTP, database management)
- Optimized website speed, SEO, and security
- Installed and configured SSL certificates via AutoSSL/Let's Encrypt and resolved mixed content issues
- Handled technical troubleshooting, bug fixing, and website migration between servers
- Collaborated with designers using Figma to convert UI/UX designs into functional web pages
- Used Git/GitHub for version control and collaborative development

PT SBG Solusi Bisnis
Apr 2026 – May 2026

Website Administrator – WordPress (Part Time)

- Perform installation, upgrade, support, and maintenance for WordPress and WordPress plugins
- Perform day-to-day regular website maintenance including backup, spam monitoring, and login attack report
- Regularly update and maintain plugins to ensure compatibility and security
- Optimize SEO of websites and manage content management
- Monitor website load speed and visitor count analytics
- Update and convert image formats (JPEG to WebP) for performance improvement
